

Lumion

Lumion allows any architect to transform CAD designs into strikingly beautiful renders without any prior training. Lumion is for architects who want a better way to work in SketchUp and Revit. With the new LiveSync, you can immediately set up a live, real-time visualization of your SketchUp or Revit model. Change the CAD model's shape and you'll see these changes taking place, in real-time, in Lumion's breathtaking, lifelike environment.
